

## **The Big Picture**

Pastor Mark Wilks, NEHEMIAH

### 1. Rebuilding the wall

- Nehemiah responds to the problem by praying!
- One of the biggest mistakes we can make is to assume we can't do very much.
- More than 20 times the phrases "next to him" or "after them" come up showing us the need for team work and cooperation.

### 2. Restoring the people

- This is a sign God is doing a mighty work - therefore rejoice because God is your strength. Neh. 8:10
- The man Nehemiah chased out went on to start a rival religion called the Samaritans. Neh. 13:28

### 3. Responding to the King

- Jesus came as a representative of the King. John 5:43
- A king can requisition whatever he needs.
- When asked by Pilate, Jesus did not deny he is the King of the Jews. Luke 23:3

### **Application:**

- Have you enthroned him as the King of your heart?
